Firey Surpirse for oak

Last Thursday 8 of October Miss Wilson was shocked to find a dangerous fierce dragon in her cupboard. The creature waited to be found in the cupboard.

First (Miss Wilson) found a fierce dragon in her cupboard. Next the dragon approached her and then she exclaimed it to her class (OAK) at the start of English lesson .

Incredible news of a red majestic dragon. “when miss Wilson told me, she said she thought it was a chick” exclaimed Mrs Newman.

A dragon has never been found before. Year 3 were in a amassment when they found out

Mrs Myers is looking after the dragon. Hopefully we will see the dragon soon. But it soon will get bigger and bigger
